Dear Simon

Sheffield Law Society Probate Group

Thank you very much for coming to talk to the Probate Group on the 10th March 2009.

We are all very grateful to you for imparting your knowledge about Equity Release.

I believe equity release will become more and more common given the economical conditions and the probate solicitors in the city will see an increase in cases where equity release plays a role. Your talk certainly gave us all a great deal of background knowledge to assist us in dealing with such matters.

Yours sincerely
